Appl. No. 10/612,445
Filing Date 07/02/2003
Inventor Magnusson

REMARKS/ARGUMENTS

New claim 29 has been added. Claim 29 combines the recitations of claims 15 and 28, and further recites the transitional phrase "consisting essentially of", which limits the scope of the claim to the specified materials or steps and those that do not materially affect the basic and novel characteristics of the claimed invention.

Favorable consideration on the merits is respectfully requested.

Respectfully submitted,

David J. Serbin
